

FESTIVE GREETINGS TO YOU ALL

Christmas time comes once in a year.

*It can warm hearts and perhaps even destroy
barriers that exist between one person and another.
It is a time to receive and to give joy and happiness.*

*On behalf of "The Association of Lyceum Past Students"
I send this message to all members and friends of ALPS.*

Let us be more gentle and kind to each other.

Let us be ready to share from what we have

Let us be more caring for one another.

*Here's wishing you the best of health and happiness
at Christmas time and for the coming New year 2018*

Keep smiling dear friends

FROM

George Stagno Navarra

President - ALPS
