FROM THE ALPS PRESIDENT'S DESK

Hello dear Members and Friends of ALPS

Without ever dreaming of having to encounter a situation as big as the Corona Virus Pandemic / Covid-19, that we are facing together, I am today taking the liberty of writing to you this message " TO KEEP IN TOUCH "

It is always exciting writing to you again and keeping in touch whilst we may all be confined to our homes during these unpleasant circumstances. Life becomes more tolerable when good friends constantly keep in touch with each other. Let us make this life more colourful for ourselves and for those around us. I am hoping that you may also wish to do the same thing by keeping in touch with ALPS.

The one thing that I always look forward to when the association organizes an event, is your presence and your company. Despite the fact that we have had to cancel our planned activities during March, we should still keep in touch. Do write and tell us how you are getting on whilst staying safe at home. Keep smiling.
