March 2020

FROM THE ALPS PRESIDENT'S DESK

Dear members and friends of ALPS, It is with great honor and pride that I write this message to inform all the members forming part of The Association of Lyceum Past Students, of the very successful conclusion of the year 2019 when we celebrated our 25th anniversary from foundation date of ALPS.

The celebrations have all been conducted in a most friendly spirit and your participation at every event has given to me and my council colleagues, much satisfaction. The token of appreciation that was presented to me at the Yuletide Gala Dinner, was accepted with much joy. This goes to show that the ALPS is a formidable and respected association with wonderful traditions that it has built over 25 years of its existence. We must therefore unite even more to make the Ghaqda Ex-Studenti Liceo stronger and at the same time to extend

our support towards our Alma Mater "IL-LICEO"

Having served as your President for a good number of years, I feel privileged to be addressing you today with this write up as an aftermath to last years' festivities. As we now celebrate the year 2020 I would like to thank all the old Lyceum boys for rallying around the ALPS committee during the year 2019. We had a number of events prepared for you last year. The finest of them all was I believe, the Grand Reunion celebration with Holy Mass by His Eminence the late Cardinal Prospero Grech who travelled specifically from Rome to come and share with us this unique occasion. That was followed by a very well attended reception inside the old Liceo building at Valletta. As already mentioned above, I have served for a number of terms as the President of ALPS and I thank all the past Lyceum boys and well wishers for the support provided to me

and to my committee to carry out duties entrusted. Today, I am appealing to all the ALPS members to continue supporting The Association of Lyceum Past Students so that we may proceed with all the planned projects in future years. Regrettably, we have had a number of members passing away in the past year or two. As an Old Boys Association, we simply need to replace these with new members. Surely every one of you can lend a helping hand by inducing some one of his past classmates and enrolling him into ALPS. We definitely need your help and support. I am convinced that together, we can add quite a few more faces. Help us to keep the association as strong as possible with a steady flow of new enrolments. I plead with you all, to go out of your way and make that phone call or meet with an old Lyceum colleague. The personal touch can do a lot of good. I want to observe in

the next few months a surge in membership that can only happen with your help.

May I end this message by wishing to all of our members and their families, a year of good health, happiness and success in all your endeavors. Keep attending to all of the ALPS future activities. Without your continued support we would never have reached to our 25th anniversary celebrations and that my dear friends says it all.

Very sincerely
George dei Conti Stagno Navarra
President - ALPS

All the Good Things Come to an End

What a fabulous festive night. Thanks to everyone who joined us to celebrate the ALPS 25th Anniversary. We are truly grateful, that more than 350 members and friends have celebrated with ALPS this unique occasion on 7th December 2019.

ALPS celebrated a significant milestone marking its 25th anniversary from foundation date in 1994. The program, highlighted a fabulous Gala Dinner with a speech by its president George Stagno Navarra. A one minute silence was observed to pay respect to association founder president Dr. Guido Saliba, who passed away exactly 15 years ago to the day on the 7th December 2004. Special MEMENTOS in the form of a leather passport cover with the embossed ALPS anniversary logo, have been distributed to all those who were present for the Gala Dinner.

Together, we continue on this

superb journey, for making this Association of Lyceum Past Students, unique in its method of getting more and more LICEO past students together from all walks of

life and from all around the globe. May we all continue to recognize the important role of ALPS in future years.

Photos on inside front page of

this newsletter, fully demonstrate this very special occasion of celebrating the first 25 years of The Association of Lyceum Past Students.

Holy Mass at Pwales Chapel

Thanksgiving Mass was celebrated on Friday 13th December 2019 at 11.00 o'clock in St Anne's Chapel, Pwales. The ALPS President delivered a Christmas Message and prayers were offered for dear departed members and friends of The Association of Lyceum Past Students (ALPS).

Christmas carols were sung during Holy Mass, adding a touch of Christmas spirit. The nice weather on that day, has permitted for the congregation to meet and exchange festive greetings whilst having a hot Tea/Coffee with biscuits and cakes.

The inside of the chapel looked particularly nice on the day, with a number of Poinsettia plants and flowers that had been brought by those who have attended.

LAUGHTER THE BEST MEDICINE:

Martin was too Old To Date

The neighbors thought it was odd, but 93 year old Martin was dating again. One Monday morning Martin woke up with a funny feeling that something important happened last night. It was during breakfast, that Martin finally remembered what it was. He had proposed to his date Greta." But what she answered he just couldn't seem to remember. Martin picked up the phone and dialed. "Hi Greta", said Martin, "I have

a funny question for you, do you remember last night when I proposed?" "Oh my gosh" responded Greta, "I'm so glad you called, I knew I said yes to somebody but I just couldn't recall who it was!"

Forthcoming ALPS Events for the rest of the Year 2020

Towards the end of May 2020, His Holiness Pope Francis is expected to visit the Islands of Malta and Gozo. As we have done when we went to Rome for an Udienza Generale with the Pope about five years ago, we also intend to be present and make a special effort, for our presence to be noted on this unique occasion in Malta.

We have absolutely no idea how the Pope's visit is going to be organized, but thinking ahead, we wish to be amongst the crowd with the ALPS banner to welcome the Pontiff when in Malta.

More details to follow via e-mail and ALPS web-site, if the next newsletter is not yet issued.

ALPS will organize a day tour to Gozo on the 20th June 2020 (reserve this date - details to be announced in the next newsletter) Booking form is attached with this newsletter. It is recommended that you book early to reserve your seats on the coach. Your food choice is also needed by ticking as necessary on same booking form.

An AirMalta flight takes us to London and we shall then take a coach strait to the Harbor for boarding the liner Norwegian STAR that leaves from Southampton on the 4th September 2020. Welcome to ALPS website

Welcome to the official website of the Association of Lyceum Past Students (ALPS), which was launched as part of the activities for the Association's 10th anniversary.

Also officially known as the *Ghaqda Ex-Studenti Liceo*, the ALPS was formally founded on 20th March 1994. There had been a number of previous attempts to get such an organisation going, but this was the one that worked.

The Association seeks to bring together as many as possible of the thousands of surviving men of all ages who have sat in the classrooms of this oldest institution of learning in Malta, which dates back to 1592 with the foundation of the *Collegium Melitense* for the teaching of Arabic and Turkish by the Jesuits. This date is suitably recorded in the ALPS emblem, which basically incorporates the Lyceum school badge.

Reminiscing from the good old Lyceum days

ALPS member Raymond Grech has recently discovered amongst his childhood memorabilia, a class photo dating back to Feb 1965.

He actually remembers that it was class 1A, which was situated next to the school's gymnasium, where Mr. Scerri was the gym master.

Occasionally, the boys preferred playing in class, taking it in turns the next time around. Ray can remember the faces of almost all his schoolmates, but he would not be able to recollect all their names. However, he still remembers some of the surnames: like Sammut, Chetcuti and Bartolo. And who would have imagined in those days, from that- Liceo Form 1A, someday, there was going to be a Government Minister for Education.

His name is The Hon. Minister Evarist Bartolo. If anyone reading this newsletter can recognize and identify more names from that class gathering after seeing this photo, the association would appreciate receiving more feedback, so that we can elaborate further in a later edition of ALPS newsletter. Maybe, now that this photo is published, some of those present in that classroom of 1965, can be interested and would turn up to become members of ALPS. You are more than welcome to join the Association of Lyceum Past Students. All Lyceum past students are welcome. Just send an e-mail to: alpsmalta@gmail.com

The ALPS Annual General Meeting 2020

The ALPS - Annual General Meeting this year was held on Friday 28th February 2020 at the Lyceum Hamrun. We have experienced this year a most disappointing attendance. One thing comes to mind. May be all our members (and that includes some council members too !) were scared of corona virus disease and preferred to stay away from a crowded environment !!

Having terminated their term in office, the ALPS Secretary General and Hon. Treasurer, remained uncontested and were re-elected. Other council members who will

serve for a period of one year 2020/2021 have also been re-elected to Council of Administration of ALPS.

We say thanks to all those who have served over the past year. Let us not forget outgoing council member Dr. Nazarene Azzopardi, who for personal reasons has this year preferred not to contest the ALPS elections. Many thanks dear friend Nazarene, for all the good work you have done within the Association of Lyceum Past Students. One can never forget the famous project/s Pitazz u Lapez and then again at a later stage

Pitazz u Lapes u Gugarell. They were both extremely successful initiatives that have made ALPS truly proud to have helped children in faraway lands where Maltese religious communities are helping the unfortunate children of poor families. The letter of resignation that was received from Dr. Azzopardi was read out during the AGM and everyone salutes a hard working council person who always gave his best for the good of ALPS.

ALPS Secretary General Alex Borg presented his administrative report, whilst Mr. Peter Griffiths from Messrs. Griffiths and Associates

also presented the audited accounts of ALPS. The year 2019 has ended with a positive outlook for a future that beckons well for more success, said the ALPS president in his closing speech. Must thank the firm Griffiths & Associates for committing to look after the auditing of ALPS accounts in the coming year. Last but not least a thank you message to Liceo Headmistress M/s. Doriann Portanier Mifsud, for her continued co-operation by granting permission to ALPS to keep using the Lyceum boardroom for the monthly council meetings

APPRECIATION:

The Death of His Eminence Cardinal Prospero Grech (1925-2019)

by ALPS President George Stagno Navarra

To all the members and friends of The Association of Lyceum Past Students (ALPS), I have to inform everyone, of the sad news, that our most Eminent member within The Association of Lyceum Past Students (ALPS), died unexpectedly on Monday the 30th day of December 2019. He was admitted into hospital in Rome and a few hours later, he passed away to Eternal Life just two days short of the new year 2020.

Over the past years since he became Cardinal in 2012, we have been exceptionally close to Cardinal Prospero Grech. He was a very keen member of ALPS and we consider ourselves to have been truly privileged to be honored with his presence on a number of special occasions here in Malta. There were instances, when His Eminence also met with ALPS members and he assisted, to make a presentation to His Holiness Pope Francis when we organized a visit to Rome some years back. We shall never forget his cheerful disposition to meet with the ALPS members and friends who travelled to Rome for a general audience with the Pope. And that was not the only occasion. We have also had the pleasure to knock on his door at the Istituto Santa Marta near the Bernini Collonade, when purely by chance a group of ALPS members happened to be visiting the Vatican City whilst taking an excursion from a cruise liner.

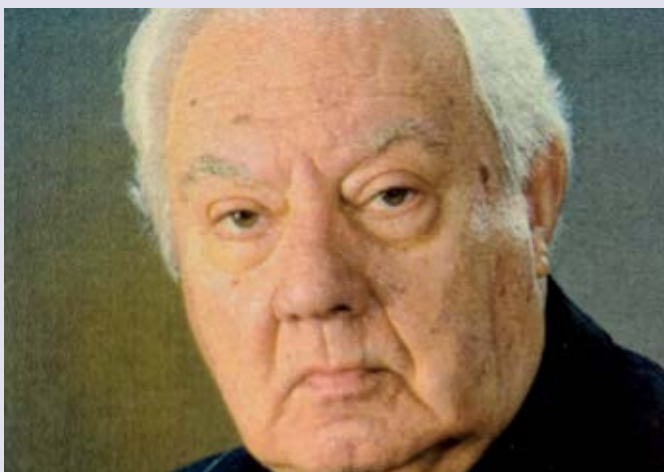

All the members and friends of Ghaqda Ex-Studenti Liceo can vividly remember his soft spoken homilies whenever we invited him to join us for some special event, like a reunion, or celebrating Holy Mass at a quaint little chapel in Pwales hamlet. He simply loved to be with his Lyceum comrades. The last grand event that we are proud of, was the celebration of Holy Mass at St John's Co-Cathedral Valetta during March 2019 on the occasion of a 25th Anniversary Celebration from foundation date of ALPS. Always a great honor for us to have His Eminence with us and we all treasure some nice memories of his gentle jokes that he shared and narratives from his younger years at The Lyceum Malta.

May he Rest in Peace. Amen.

Farewell to Our Dear Friend Joseph Fenech

A nice farewell was given to our friend Joseph Fenech at his funeral with Holy Mass in Hniena Divina Church of San Pawl Tat-Targa on a sunny morn of the 7th January 2020.

We shall all remember the wonderful eulogy delivered by Fr. Michael Agius when he delved through the last 46 years that he has come to know our friend Joseph Fenech. But, the nicest part of the ceremony was of course when we listened and admired the unique voice of our departed friend Joseph. We closed our eyes for a few minutes

and listened to his voice signing the Agnus Dei....at his own funeral. Something that we shall never forget. The "Association of Lyceum Past Students" lost a great friend, an amiable member who was loved by all, a perfect organizer especially when he initiated and looked after the ALPS Choir, an eloquent mentor and above all a true and trusted friend. We loved and respected him in life and let us never forget him after his passing to eternal life.

May he Rest in Peace Amen..

Reporting after the ALPS Valentine's Weekend at Golden Sands Resort February 2020

We are pleased to report to you, that the ALPS Valentine weekend event this year, was held at The Radisson SAS- Golden Sands Resort. It was a great success from beginning to end. The marvelous weather throughout the entire period that we shared together at this most luxurious resort, added to the happy feelings by all who participated. All the ladies were presented with a red carnation for this occasion.

The nicely furnished guest rooms that have been made available to ALPS members and their families, really made this event a memorable occasion. Valentine week-end is now an annual occasion when we get together at The Golden Sands and share some quality time in each other's company. Lyceum

past students simply love to get together. This year was no exception. A number of gifts were raffled and the happy atmosphere confirmed the festive feelings by all concerned. A number of happy members were seen carrying the raffle prizes they had won. David Vella entertained all the dinner guests throughout the evening with lovely tunes specially selected for the Valentine dinner evening. One may conclude, that we had a most successful and very memorable event this year. We sincerely wish and hope that this same atmosphere may continue at future events that are being prepared by ALPS.

Thanks to all who have taken part this year... and those who were not so lucky, please do your best not to miss this annual event next year in February 2021.
