September 2014

## Dear Friends, the summer season is over and now we get back to our work in A.L.P.S.

You may feel nostalgic as you read and perhaps you may be able to pass comments on our web-site, see photos of your friends and browse through the many A.L.P.S. activities over the past twenty years.

You must feel free to obtain information and get interested to attend events and activities and much more. Over the past 20 years since A.L.P.S. was created, we have covered a lot of ground. We continue to grow in the number of members and friends, who all find something that pleases them and which takes them back to the good old LICEO days. This is the exact function and scope of The Association of Lyceum Past Students.

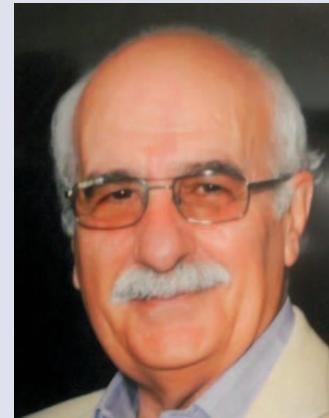

The Lyceum Ex-Alumni Association, was started with the core objective of keeping the spirit alive amongst ex-students of the Lyceum. We are hoping that we have managed to create a medium by which old friends and former classmates could once again rekindle the memories of the years which were spent together whilst studying at the Lyceum over a period of time between the 1920's to the 1970's and even more.

Through The Association of Lyceum Past Students, you may be able to find long lost buddies and contact them. You may also get an idea of what each of them has been up to since the Liceo days. From the A.L.P.S. website, we hope to create a technological method to bring you closer to your schoolmates of old. This may surely happen, even if you are miles away from each other and scattered in some other part of the world.

Dear colleagues, a while ago, I had come across a very interesting phrase by Warren Buffett, which reads as follows: *"Someone's sitting in the shade today, because someone planted a tree a long time ago."* And believe me my friends, that is exactly what is happening in A.L.P.S. today. It was Guido Saliba's dream to have initiated this Association of Lyceum Old Boys and which has continued to grow and to flourish in size and popularity over the past twenty years from foundation date. Here we must stop and think, to know exactly where we are going and how we shall know when we get there. It is so funny how much time we spend planning our lives.

Gone are the days of doing what we've done, because that's the way we have always done it. To seize the future, A.L.P.S. must inspire and innovate and must also be prepared to harness and exploit its strengths. Our members remain of course our only assets.

Growth is good and we are always counting on the continued support of our members for encouraging many more Liceo Past Students to join our dynamic association. To plan for the future is indispensable. We at A.L.P.S., need to look always ahead more determinedly. We must continue to be forward thinking because the future is definitely not going to be a waste of time. Our association continues to grow in the number of members and also continues to offer to you many new ideas and plans to better enhance our non-stop activities. It is imperative that we have to be thinking about what The Association of Lyceum Past Students (your association), may be like in five years, ten years, or even more. We must plan and get to know from now what A.L.P.S. can be and have, at that point in the future. Knowing where we are right now, will definitely keep us on

track before we head off to where we are going in future. We want you to know that its not only about here and now, but its about what can be right for you all.

Do keep following all that the association prepares for you for the coming months... and make sure that you never fail to participate.

Before this year is ended, we still have a lot to perform and this should continue to make the **twentieth anniversary celebrations** much more interesting for you and for your families and friends.

**Very Sincerely**  
**George Stagno Navarra**  
**President A.L.P.S.**

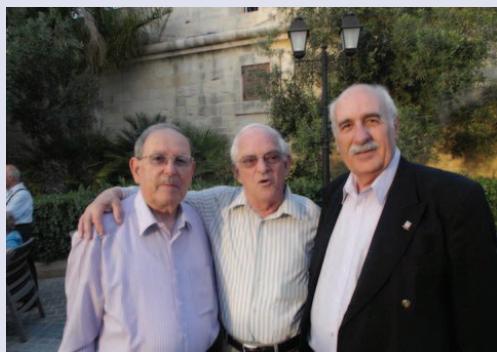

## Pasta Evening – 6th June 2014 With Milo Vassallo at 'Monte Kristo Estates'

It was a most successful evening. A gathering of 65 persons could make it for this get-together event, a memorable occasion for our dear friend **Milo Vassallo** to celebrate here in Malta his 80th Birthday.

The members and friends who have attended for this event, really enjoyed themselves because it was nearly mid-night when we all rose from the tables and left Hal Farrug ...with happy memories of a wonderful evening.

A.L.P.S. President George Stagno Navarra, delivered a short speech for the occasion and also donated a small gift in the form of a Faber Castell roller ball pen with 'Milo Vassallo' inscription on it for the occasion.

## The Great Success Of A.L.P.S Summer Barbeque On 4th July 2014

This year's summer B-B-Q was organized by A.L.P.S. at one of the panoramic open terraces of the Radisson Resort Ghajn Tuffieha.

In spite of the world cup finals, we still had a large gathering filling the large terrace. To the very romantic and popular tunes played by our dear friend David Vella, the guests were entertained up to a late hour. The food was exceptionally good and the atmosphere turned out to be most relaxing for all those who attended. At least 25 nicely decorated food and drink hampers that had been prepared by Miriam Fenech and Madeliene Stagno Navarra, were raffled together with some free vouchers that had been donated by the hotel itself. A special appeal by the President this year must have touched the hearts of all those who purchased raffle tickets. Sales peaked to a good sum and we have this year directed all income from such event, for a cause that goes to assist the family of one of our council members whose daughter is undergoing very delicate medical treatment overseas. We might add, that there were also some private donations given at the same BBQ and which have all been added over and above the sum total of €500 which A.L.P.S. donated by a cheque presentation. It is also worth mentioning, that through the intervention of the two A.L.P.S. council members sitting on the LBM organizing committee, another handsome cash contribution has been made towards this same cause. From amongst A.L.P.S. council colleagues, there were also direct donations to the same

council member who finds himself in financial difficulties.

Our President George Stagno Navarra confirms, the receipt of a 'Thank You Card' which reads:

*Just wanted you to know  
that each and every day  
warm thoughts and sincere wishes  
are being sent your way  
with best wishes.  
a small token to show my appreciation*

signed:  
daughter of council member

For the sake of respecting the family concerned, names are not being published BUT, A.L.P.S. can show copies of correspondence to anyone who may ask.

It is exactly on such special occasions that the solidarity of our members and friends, demonstrates itself in the form of financial assistance for a most noble cause. Everyone digging in his pocket on the night of the Barbeque, must have given from the heart without expecting anything in return. Everyone's mind concentrated on one thing only "Today it is this particular family and tomorrow it can be me or my family".

Thanks and well done indeed dear members and friends of A.L.P.S. Your financial assistance shall be rewarded a hundred fold. Do please continue to keep this family in your prayers.

## Holy Mass at the Russian Chapel in San Anton

By kind permission of Her Excellency The President of Malta M/s. Marie Louise Coleiro Preca, our spiritual director Fr. William Bartolo, has been invited to lead an A.L.P.S. group as well as farmers and neighbors from the Pwales hamlet, for the celebration of Sunday Mass at the Russian Chapel of San Anton Palace Attard. If the gathering shall not be accommodated inside the chapel, other arrangements can be made for an outdoor seating near the President's official residence. All members and their families as well as friends of the association are cordially invited to join us on the 19th October 2014. Please note that the pre-announced Holy Mass at Pwales on the 18th is therefore being cancelled for the month of October.

Worth mentioning and noting other dates for Holy Mass at Pwales Chapel up to the end of this year, shall be:

### 18th October 2014

Holy mass is cancelled at Pwales and substituted by Holy Mass at San Anton Palace 19th October 2014 at 10.30am

### 22nd November 2014

Holy mass at Pwales chapel at 16.30pm (H.E. The President of Malta will attend and meet with members/neighbors)

### 8th December 2014

Holy mass at Pwales will include Christmas Carols at 11.00am (*Feast of the Immaculate Conception*).

## Holy Mass at Pwales Chapel

To reciprocate to H.E. kind gesture, A.L.P.S. has extended an invitation to The President of Malta to join us for Holy Mass inside the Pwales Chapel on Saturday the 22nd November 2014 at 16.30hrs. H.E. M/s Marie Louise Coleiro Preca accepted such invitation and will therefore be honoring us with her presence. Weather permitting, the ceremony will be held on the chapel parvis and there shall be some light refreshments after the ceremony. Please note your almanacs for both events 19th October @ 10.30am - San Anton and 22nd November @ 16.30pm - Pwales.

Fr. Arthur Cutajar the Parish priest of St.Paul's Bay will be joining us and there is a very small possibility that His Grace

the Archbishop Pawl Cremona may also be with us for such occasion. We are still awaiting a confirmation from His Grace. Holy mass on that day, shall be offered for all Souls of A.L.P.S. members, family members and friends who have passed away over the past twenty years.

## A.L.P.S. Council of Administration pay a courtesy visit to H.E. The President of Malta

On the 25th day of July 2014, A.L.P.S. President G. Stagno Navarra was leading a small delegation, which included council members Alex Borg, Peter Tortell, Joe Buttigieg, Oscar Galea, Alfred Agius and our spiritual director Fr. William Bartolo, and paid a courtesy visit to Her Excellency Marie-Louise Coleiro Preca, President of Malta. It was a very cordial and fruitful meeting when H.E. renewed her intention to remain Patron of A.L.P.S. Many subjects had been discussed and an invitation has been made for A.L.P.S. to hold Holy Sunday Mass at San Anton Palace Attard on the 19th October at 10.30am. To reciprocate, A.L.P.S. President also extended an invitation, which H.E. accepted, to come and visit The Pwales Chapel on the 22nd November 2014. It is worth mentioning that Mr. Preca

may soon be added to the list of members. Many views had been exchanged regarding the different activities of A.L.P.S. throughout the year. The President lauded the scope of A.L.P.S. and was pleased to note the very high membership that brings more and more Liceo Past Students together from all ages.

## Cultural tour to Birgu on the 4th October 2014

The date is getting closer for the A.L.P.S. cultural tour to Birgu. As already announced, we have planned an interesting morning tour. We all meet and park our cars near Couvre Port (just outside Birgu) and the tour leader chosen for this event will start at 9.15 sharp.

A short talk before we start our walk to the Inquisitor's Palace can explain the potential of this area and what we are about to explore. The visit to the Inquisitor's palace should last about an hour and we shall then be given a half hour free time to stop and have a coffee (not included) at any one of the nearby outlets. At 11.00 o'clock the tour continues with a walk to the Maritime Museum at the Waterfront. There, we shall be given a full explanation by the tour guide about all the exhibits at the museum. This should take us up to around 12.30hrs including

question time and the tour ends. We then proceed to "Bacino Café" where we shall have light lunch as detailed in the attached booking form. The price of the Birgu tour including the services of a guide and light-lunch only at mid-day, will be at €18.00 per person.

Please fill in and send your booking form with menu choice and pre-payment to secretary general Alex Borg by latest 2nd October to enable us to inform the caterers about the number of seating places to be prepared for the A.L.P.S. group. After lunch, we are doing our best to organize for the A.L.P.S. group on this tour, to hear holy mass at the nearby Oratorju of Birgu. More details can follow on the date of the tour itself, because this all depend on the church authorities granting permission for such celebration and getting a priest to say Holy Mass.

# Cultural Visits

## The Valletta Cultural Tour on the 29th November 2014

To continue to enrich the 20th anniversary celebrations this year, we shall be organizing for you, another cultural tour to Valletta on the 29th November 2014. We all meet at 09.15am outside St John's Co-Cathedral at side door in Republic Street (opposite the LAW COURTS). The two appointed tour-guides will split the number of participants in groups of 30 each and will start at exactly 09.30am sharp. The guided tour explanations inside the cathedral take approximately one and a half hours. Free time shall be given around 11.00hrs. The group will then proceed at 11.30 on foot to The Grand Master's Palace Valletta for the continuation of the morning Valletta visit. Our guides will again take the separate groups to explain the history and the riches of such magnificent Palace. This guided tour should last up to approximately 12.45hrs. Then, we can walk up Republic Street and go to The Caravaggio Restaurant St. John's square for a light lunch. For those of you who would like to join us, a light lunch at Caravaggio Restaurant (menu choice shown on application form) is being organized. The price of the tour with mid-day lunch only, shall

be at €18.00 per head. Pre-payment with booking form must reach secretary general Mr. Alex Borg by not later than the 27th November 2014. We must inform the restaurant the total number of persons booked, for adequate seating to be provided. Space & movement logistics can only permit the Caravaggio Restaurant to prepare tables not exceeding eight persons.

It is worth mentioning that A.L.P.S. have obtained a waiver of entrance fees to all the places that we shall be visiting at Birgu & Valletta.

## In Preparation for our visit to the Vatican

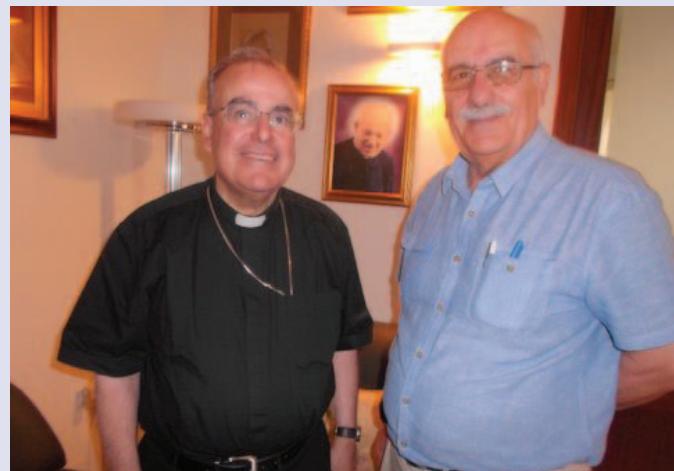

The preparations for the A.L.P.S. attendance on 5th November 2014 for an UDIENZA GENERALE with Pope Francesco in Rome,

have necessitated a number of meetings with church officials.

Seen here is A.L.P.S. President

George Stagno Navarra with (Left) Apostolic Nunzio - His Excellency - Aldo Cavalli at Tal-Virtu Nunciature Rabat

and (Right) The Archbishop - His Grace Mons. Pawl Cremona at the Bishop's Residence Attard

# The Attendance to General Audience at The Vatican on the 5th November 2014

This has never happened before and we have therefore wanted to include a visit to Rome for attendance to an "Udienza Generale" at the Vatican on **Wednesday the 5th November 2014**. There has been a great response and we are informed by the tour handling Agents SMS Mondial , that all airplane seats and hotel room reservations to such tour have been sold out.

Again, this shall be part of the twentieth anniversary celebrations. Had the Founder President of A.L.P.S., Dr. Saliba still be alive, for sure he would have been ever so proud to be seeing such interest and enthusiasm from you members and friends of the association.

His Grace The Archbishop Mons. Pawl Cremona will lead this tour to the ancient city of Rome. The group leaves Malta on the 4th and returns back on the 7th November 2014. It is expected that our dear LICEO colleague (himself a past student) His Eminence Cardinal Prospero Grech, may be near to the A.L.P.S. group when a monetary presentation can

be made to the Holy Father. A special program for the General Audience with Pope Francis, will be distributed to each participant before our departure together with some promos to be worn for the occasion. We always promise the best for you.

Organizing this overseas trip to the eternal city has involved a good number of hours planning and obtaining best and cheapest deals from tour handling agents. Much correspondence, overseas telephone calls and meetings with high ranking church officials have been held. It is of course our pride, to be organizing for A.L.P.S. members and friends such a unique opportunity that makes us all so happy to belong in a very active association. Right at the forefront, the A.L.P.S. banner will be exhibited. TV cameras can show to the whole world that in the small island of Malta, there exists a very active and dynamic association of Ex-Alumni from the Lyceum days, which keeps alive the name of a school that has produced such great minds, who are today scattered in all corners of this planet earth.

To those who will be joining us on this trip, we tell them to pack their photographic equipment in order to capture the best photos and to bring back with them from Rome, unforgettable scenes of the Udienza Generale with Papa Francesco.

# Festa Santa Anna - Pwales

This year, FESTA SANT ANNA was again celebrated with much vigor and pomp.

A very large number of A.L.P.S. members and friends of the association have turned up for this event. The Spiritual Director of A.L.P.S. Fr. William Bartolo, delivered one of his most interesting homilies that pleased all who were attending for Holy Mass.

The neighbours who have now integrated nicely with A.L.P.S., have this year played a much greater role by helping with the carrying of statues. They have also unknowingly entertained the gathering with fireworks from their fields nearby and

generously distributed fresh fruits from their fields. Such gesture has been very well appreciated.

In the absence of the A.L.P.S. President, our Secretary General Alex Borg who was assisted by a number of council members, has directed and co-ordinated everything throughout the festa. We extend a word of thanks to all council members who have in some way helped with the preparations. A concerted effort has shown a wider success. We must of course add that the Lyceum Scouts and their leader Alex Bonello have contributed to the success. Ex-council

member Tony Aquilina never fails to give a helping hand who, together with his wife Lucienne very kindly prepared sandwiches for the occasion. Furthermore, Council member David & his wife Josephine Abela, have again prepared and distributed at Festa Sant Anna, a number of delicious cakes that were liked by all. Last but not least Joe & Miriam Fenech who were assisted by Dennis and Irene Mifsud, have again produced for the festa tasty panini biz-zejt.

Thanks from the heart to each one who dedicated some time for this year's success to: **FESTA PWALES 2014.**

## A.L.P.S. Group prepares to go to Gozo for the Opera Nabucco

Another year has flown by. Our council member Joseph Fenech, prepares, for the A.L.P.S. Group to spend a weekend in Gozo. The main scope being attendance for the Opera

NABUCCO at the Astra Theatre in Victoria. The packages with overnight stays at different hotels have all been sold out. However, some last minute tickets to the Opera only, may

still be available. Kindly phone our friend Joe Fenech on tel: 2141 0632 or e-mail: [mcfenech@malta.net.net](mailto:mcfenech@malta.net.net) If time permits and a place is found to meet, a pre-opera

presentation by the same Joe Fenech will be given to all those who have booked for this years' performance. More details on this, shall be given at a later stage.
