VOLUME 13 NO. 1

Newspaper Post January 2013

FROM THE A.L.P.S. - PRESIDENT'S DESK....

Here's wishing a "Belated Happy New Year 2013" to all the Members and Friends. I hope that you are all well and that you have really enjoyed your Christmas Holidays and the New Year Celebrations.

I am so pleased to report that 2012 has been a terrific year for the Association of Lyceum Past Students. Our many events were incredibly successful, as has been witnessed by all who have attended to the activities that have been organised for you during the twelve months that have just ended.

There is no question, that the general interest in A.L.P.S. is growing, as even more new members are deciding to join. This is most encouraging and very supportive to our association.

Plans are well underway for the upcoming GRAND REUNION on the 16th day of March 2013. In the light of the budgetary constraints, we have decided to forego the usual get together in October last year but, I can assure you that the choice of having amongst us His Eminence Cardinal Prospero Grech who was himself a LICEO past student, will be something special. I want to thank the sub-committee who are so energetically working on this event in order to ensure that we miss nothing from the occasion. A.L.P.S. has a dedicated council and I thank everyone for assisting in the planning stage to everything.

Also for this year, the election of a new council of administration is quickly approaching. You are all being encouraged to send in the nomination forms duly completed for persons of your choice who may lead this much respected association of ours to greater heights in the coming year. Whilst taking this opportunity to thank all members who have worked so closely with me over the past year, I augur their re-election if it may be to your satisfaction. That of course will include the President & Secretary General's seats, because their separate terms of serving on council, will end soon.

As we begin a New year, one of the Association's top priorities shall be the strengthening of membership in The Association of Lyceum Past Students.

To do this of course, we shall need your input. Please do let us know what you are thinking and tell us how we can continue to improve on our activities.

We do listen you know...We hope that in the new year we may encourage our members to get more involved and consider volunteering on a committee of A.L.P.S. I want to tell you that Committee work is of utmost importance to our future. We just have to continue to build on the past successful achievements and aim for even more..

Speaking to you as your President, I want to thank each and everyone of you for the continued support that you extend to A.L.P.S.

There is a lot of work and effort put into the association all year round. Your responding and participating in all that we present to you, is enough to tell us that we are being appreciated whilst administering to the needs of The Association of Lyceum Past Students. May I take this opportunity to remind you that for this year, Valentine's dinner with option of overnight stay at a luxurious 5 -star hotel, will be celebrated at Ghajn Tuffieha inside the Ballroom of The Radisson Blu Golden Sands Resort.. Further on in this newsletter, you will find the menu and booking form. The date shall be 9th February 2013. Kindly complete and return the booking form with your payment in advance to cover the option to your liking for a nice week-end together.

As we enter a new year, please be mindful of the things that enrich our lives such as health, family, friends and our freedom.

Let us together embrace the opportunities that are before us and which can bring us even closer to each other. Remember the Lyceum days of old.

We still belong to that same thinking and feeling of a friendship, that has been built on trust , when we were much younger.

It simply continues to flourish as we get older each day. Therefore I say to you....
TOGETHER WE CAN MAKE A GREAT DIFFERENCE...

Mini Concerts by The A.L.P.S. Choir over the Yuletide period 2012.

Over the Christmas period, the A.L.P.S. choir have been visiting a number of Old People's homes to entertain with mini-concerts that have brought a smile to the residents. Many positive comments were expressed to Council member Joe Fenech, who throughout the year looks after the A.L.P.S. choir .

A word of thanks goes also to Mrs Marlene Ferrante who plays the synthesiser and coaches the choir members in all that is being practised during the weekly rehearsals. For the coming Grand Reunion, there shall be the A.L.P.S. choir accompanying during holy mass at the Gizwiti church in Valletta.

Last but not least a 'Thank You' message to every member in the A.L.P.S. choir who attend to weekly rehearsals throughout the whole year..

A Very Well Attended Yuletide Dinner On The 14th December 2012..

The annual Christmas dinner at The Radisson Blu-Resort in St. Julians attracted more than two hundred and forty of A.L.P.S. members with spouses and friends. Many have even availed themselves with overnight stay at same hotel. One may comfortably say that it is yet another event that goes down well in the history books of our association. A good number of hampers prepared by Miriam Fenech and Madeleine Stagno Navarra as well as week-end break and sunday lunches donated by the Radisson Group had been raffled. A word of thanks goes to all the helpers who have assisted during the dinner. Thanks goes to the ladies who very enthusiastically sold many tickets, thus raising the fund raising amount from this occasion. Last but not least, a big "Thank You" goes to Alex Borg Secretary General who co-ordinated the bookings and prepared table plans and, to master of ceremonies Robbie Ferrante.. who forgot to eat his dinner in order to ensure that all went smoothly. Thanks again to everyone who attended and gave his support by purchasing raffle tickets..Your continued support builds even more encouragement, for us to work harder and organise more of such entertaining events. Another happy occasion, VALENTINE'S DINNER ON THE 9TH FEBRUARY is announced further on in this NewsLetter..

Laughter is an Instant Vacation

Laughter is to the soul what soap is to the body. In fact, researchers suggest that we need a minimum of twelve laughs a day just to stay healthy. It can affect our brain chemistry and immune system in very positive ways. It also can be powerful in providing positive energy that can fight off negative thoughts.

The A.L.P.S. overseas travel together

With deepest sorrow, we have to announce the sudden passing to eternal life of our friend Adrian Mifsud who has over the recent years, been a great collaborator to The Association of Lyceum Past Students. Besides planning for us and offering exceptionally good and attractive package holiday tours and cruises abroad, Adrian was also instrumental in obtaining for A.L.P.S. a sponsorship through SMS / Mondial Travel and helped in no small way for us to initiate a new look for the NewsLetter from last year onwards. It was mainly through the assistance afforded from Adrian's advertising co-ordinator that we have been encouraged to take a big step and enhance the look of our now attractive ALPSnews. We shall all miss his friendship and assistance...

We are confident that we may continue with the same excellent relations that have existed with the SMS / Mondial group also for the future..

May The Soul of dearly departed Adrian Mifsud, Rest in Peace...and may his wife, daughter and family be consoled and have peace in their hearts. Please remember our friend Adrian in your prayers.

As we have been doing in the past years, we plan that in the current year 2013, we shall be discussing and obtaining offers for some other interesting \Cruise holiday together, perhaps in early October 2013. More details with prices shall follow in another edition of the A.L.P.S. newsletter.

" PITAZZ u LAPES " project nearing its end....

Council member Dr. Nazarene Azzopardi has very effectively looked after the collection of Pitazzi u Lapsijiet from many Government / Private & Church schools around Malta & Gozo. The response has been very encouraging and, we already have a good number of these two commodities readily packed and prepared for dispatch to the children in Kenya through the mlssion Fund. A word of thanks goes to our council member Dr. Azzopardi who, whole heartedly and at personal sacrifice, he dedicated many hours of his time to ensure that this project Pitazz u Lapes runs well.

And as a very last request, we kindly ask that our members and friends of the association, IF THEY WISH, they can also contribute with pitazzi u lapsijiet to be included with this shipment. Your support is always appreciated.. Let us help our council member Dr. Azzopardi who is ever so keen in such cause.

He may be contacted for collecting any offers from your goodselves, on: drnazare@maltanet.net / tel: 2143 6041 / mob: 9944 4129. We thank you in advance.

LETTER TO ALL MEMBERS & FRIENDS OF A.L.P.S.

Dear Lyceum Colleague,

Founded in 1994 through the untiring efforts of the late Dr. Guido Saliba, who indeed may happen to have been one of your teachers, the Association of Lyceum Past Students prides itself at being the most active association of its kind .

The Council of Administration of A.L.P.S. has taken it upon itself to organize a Grand Reunion of students who, like your goodself had started their Lyceum days many years ago. Indeed it may coincide nicely with a 50th anniversary of Liceo past students who had started or ended their studies half a century ago.

The Grand Reunion event will commence with Holy Mass at the Jesuits Church in Merchants Street Valletta. His Eminence Cardinal Prospero Grech, himself an old Lyceum boy, will be concelebrating Holy Mass at 19.00hrs with His Grace the Archbishop of Malta and other Lyceum old boys who joined priesthood.

You are cordially invited to attend this great event , A Formal invitation card will be forwarded in due course if you indicate your intention to attend..

Indeed, you may have kept contact with some of your former schoolmates, in which case we would earnestly ask you to assist us to organise an even greater event by favouring us with their particulars. This may simplify our task in attempting to establish a contact and inviting them .

It would give us the greatest pleasure not only to see you at the Grand Reunion but also to welcome you into our fold if you do not already happen to be an A.L.P.S. member. Relative application card may be forwarded to you by post as soon as we hear from you with full name & address / telephone number or mobile and preferably your e-mail address too.

Due to the limited number of guests that may be entertained in the Aula Magna, entrance shall be strictly against presentation of an invitation card. We are hoping that you would be able to attend for this Grand Event.

Yours sincerely

Alex Borg

Secretary-General, A.L.P.S.

WE HAD A MOST INTERESTING CULTURAL TOUR IN NOVEMBER 2012..

On the morning of the 24th November 2012, council member Joseph Fenech was leading a sizeable group of A.L.P.S. members and friends on a very interesting and enjoyable tour to a bees apiary in Hal-Safi. Our A.L.P.S. member Luke Montebello delivered a talk whereby he gave much detail about the work and the production of honey by the busy-bees..and, which can be most beneficial to our bodies. This took us to the LimeStone Heritage in Siggiewi. Besides appreciating the

interesting exhibits that were visited, we then shared a very good open-air lunch in the gardens of the same Lime Stone Heritage site. We could admire the water cascade and the good number of animals that are grown on the farm...that belongs to the same owner. It would be nice to see many more of you participate at some other future event that we can organise for you during the current year. Watch out for other announcements in the future.

(The attached Group photo demonstrates the wonderful success of this cultural tour)...
