

## **ALPS SUMMER BARBEQUE ON 1st JULY 2016**

The Radisson Golden Sands Resort was the venue again this year for our much sought after annual BBQ. We had 143 members attending with family and friends and the atmosphere was truly pleasant.

The evening started off with a welcome drink, followed by a short speech by our President George Stagno Navarra at the start of the B-B-Q. The first two starters were served at table. Relaxing music was played throughout the pleasant evening by David Vella and it created a wonderful atmosphere. Many raffles were drawn as fund raising for the restoration works that we are carrying out at the Pwales Chapel. The guests were quite generous and this generated a handsome sum for ALPS, to meet some of the expenses that are being incurred.

Our friend and long standing Member Joe Fenech celebrated his 84th BIRTHDAY with a cake during the same function.
