

Dinner in honor of Milo and Rita Vassallo.

A sizeable number of guests turned up to meet with Milo & Rita Vassallo for a get together dinner party, held on the 15th September 2017 at the Balluta Bay restaurant known as ZEPPI'S. It was a small way of saying thank you to our dear friends, who are presently spending some days in Malta.

In his usual manner Milo cracked jokes during dinner and kept everyone with a smile on his/her face. A wonderful evening to be remembered. A nicely decorated Birthday Cake was presented to Milo as he was this week celebrating an 83rd Birthday. **Ad Multos Annos habib taghna MILO**...and do keep smiling.

Not before the restaurant was starting to close, the group remained seated and spent time chatting and exchanging life's experiences till a very late hour. Thanks to Milo & to Rita who have entertained the ALPS group last year at their fabulous villa in Thornhill, [Ontario](#), Canada, we could reminisce from that great holiday that remains in our hearts for always.

Events of this nature, will continue to strengthen the ALPS members and friends to stay united together all year round.
