

THE ALPS GRAND REUNION HELD ON THE 4TH NOVEMBER 2017

This year, we had a most successful Reunion at the Old Liceo Building which today is part of the University Campus at Valletta. The attendance for this event was in excess of one hundred and twenty and it went very smoothly. Mons. Lawrence Gatt celebrated Holy Mass in the main entrance foyer, where guests to this event were seated and listened very carefully to a homily that has indeed enlightened everyone who was present. Mons. Gatt was himself a Liceo past student and his feelings and sentiments, truly reflected the words that he said. When mass was ended, it was the turn of the ALPS – President to address the gathering. Great emphasis was made to the choice of venue this year. We wanted to go back to the roots of the Lyceum at Valletta where, many of those who have attended for the reunion could very well remember the classrooms that they were attending in their younger days. The evening proceeded with a reception when finger food and drinks have been served. A word of thanks goes to Mrs. Marlene Ferrante who came along and played hymns during Holy mass. Thanks also to the executives from the University Campus who granted the permission and have helped to make possible for this event to take place at this prestigious venue. Going back to the LICEO of old, made some of the elder participants at this reunion, reminisce from their younger days when they attended classes and ran through the wide corridors of their school. We thank the ALPS sponsors who assist our association throughout the year for maintaining contact via the Newsletter and web-site and through any other form of financial support . Thanks to the council members who have coordinated the different tasks in order to ensure that the Reunion evening was appreciated by all who have attended. Let us hope that for next year, we can have the another good attendance and perhaps even larger in number to make this annual event a greater success. A set of photos are attached from this event..
