

Happy New Year Wishes for 2021

From the President and Council of Administration of
THE ASSOCIATION OF LYCEUM PAST STUDENTS

The start of each new year is a time to reflect on the year just past, and make plans for the future.

And given how challenging 2020 has been for us all with COVID-19, it feels especially important to express our

hopes and dreams for better days ahead in 2021! When the pandemic dangers are waived and forgotten

ALPS will present to its members and friends, a new calendar of events that may again see us get together .

We want to plan to get together again and to smile and to laugh and enjoy ourselves.

We pray that this dream may soon come true and our association will be the first to cheer you up
