GHAQDA EX STUDENTI LICEO  
Founded 1994 NGO-VO 0500**

---

Dear members and friends of ALPS,

I hope this message finds you all safe and well. I'm sure that I do not have

to tell you that we are experiencing a time in history that is unprecedented.

A time filled with uncertainty and unrest, but these circumstances will not

last forever. We've all had to make sacrifices during these trying times including the suspension of our Association's social and cultural activities from March 2020.

However, the long awaited project of publishing THE CHANTICLEER magazine that commemorates our 25th anniversary from foundation date of ALPS,

has gone ahead in spite of the fact that funds are the lowest they have

been before the start of Covid-19 restrictions. Our commitment with the printers still needs to be honoured and we therefore turn to you members

and friends. *We ask for a donation of not less than €10.00 from each one of you who received the latest publication* that is so full of interesting articles

from our Lyceum days. You are the loyal members and friends of ALPS and you can understand that with your support, we shall continue to meet all payments that are to be made in these difficult times, when we are restricted from earning something through fund raising. To those of you who have already contributed and sent their donation, may I say a BIG thank you. Your generous support has been greatly appreciated. And, to all others on the association's list of members and friends, I appeal for your urgent response please.

No one is certain as to when things will return to normal. " The Association of Lyceum Past Students " will do everything in its power to stay active and keep in touch with you dear members and friends. Thank you all for your continued support. I wish you and your families well and please stay safe!

**Sincere best regards**
