April 2024

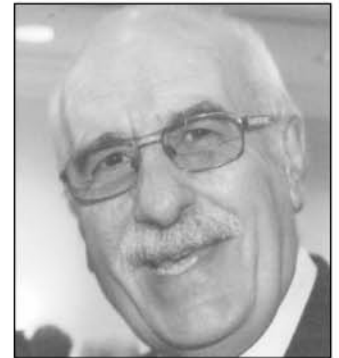

The ALPS Editor Writes

It has been a long time since the last newsletter was issued to the members and friends of ALPS.

Many were the circumstances that have deprived you of the ALPS newsletter. But today, the editor in charge of this publication, puts pen to paper and starts by auguring to you all, the best of health. During the past twelve months many things have happened in our life. Some were notably happy events and worth remembering, whilst some others may have left a sour feeling in our lives. Whatever the case may be, we now look ahead with more enthusiasm and greater will, to set new resolutions for a better life in the coming months ahead. As we embark on this new chapter in life, let optimism guide our steps. While challenges may arise, the human spirit has an incredible capacity to triumph over adversity. Let us therefore embrace the opportunities that lie ahead, confident that together, we can shape a future that is brighter and more hopeful for us all.

Last year 2023 had started with a change in the administration of the Association of Lyceum Past Students and here's to auguring good luck for the continuity of an energetic team that continues to remind members and friends, nothing shall stand in the way to deprive them of more events and functions, that have become part and parcel of their life thanks to ALPS. There are occasions that can bring us together to reminisce from our Liceo days. Such memories can never be erased from our hearts and minds. Many things have happened in the past twelve months and we delve into some of the occasions that have brought the members and friends together.

Starting with Valentine's week-end at The Radisson Golden Sands in February, we had a sizeable number of members who responded and booked for a weekend of leisure and pleasure. We celebrated the event with a great dinner. A special menu was prepared by the chefs who never fail to amaze

the diners with their food presentations. That function went down pretty well with those who have attended. Then in same month of February 2023, ALPS held its annual general meeting at the Lyceum boardroom Hamrun. Unfortunately, attendance was rather weak and we hardly had a quorum to proceed with that meeting. It was crucial for the election of a new council that was awaiting the change of presidency and secretary general. Both had given their intention to step down and make way for newer blood that may lead ALPS to greater events for the future. With a sad heart, we say that not many fingers were raised to offer their candidacy for a new council that elects another President. Outgoing President George Stagno Navarra who has directed ALPS for the past twenty-two years, was relinquishing his post. He had taken over from Founder President Dr. Guido Saliba and continued to lead the ALPS for a good number of years. Welcoming to the presidency Mr. George Galea, saw the association being taken into the future with newer ideas. Young in age and a busy Headmaster of present day Lyceum, he wanted to introduce a better

way of seeing Liceo past students that can remain in touch with one another. Whilst auguring every success to Mr. George Galea, the outgoing president, pledged his support and assistance for the great benefit of ALPS, to a new team that now leads the association. This of course includes Mark Darmanin who was elected for the post of Secretary General of ALPS from last February onwards. Besides being a great Scouts leader, Mark also dedicates much of his time to prepare and maintain many announcements and also looks after a face-book page and the ALPS web-site.

Sad news hit our association in March 2023, with the passing to eternal life of acting Hon. Treasurer David Abela. May he Rest in Peace – Amen.

To keep to the ALPS tradition, the association has taken a number of its members to Gozo for an annual retreat at Manresa during the month of May 2023. A wonderful message comes from such event and all participants carry with them some interesting lessons bestowed on them by the chosen speaker Fr. Dominic Sultana.

With covid now behind our back, a good number of ALPS members and friends ventured out of the island and embarked on an unforgettable cruise holiday aboard the Costa Fascinosa. The trip lasted 15 days and has taken the holiday makers to eight countries. A remarkable success and many are those who have already booked for a next cruise in May of this year too. For 2024, the chosen ship will be Vasco Da Gama with a most interesting itinerary and visiting the Adriatic coast.

Back in Malta and the team of energetic council members went on to present other events before the hot summer season. Festa Sant Anna was celebrated at the Pwales chapel in July of last year. That was followed by a successful summer barbeque on the open terraces of the Radisson Golden Sands Resort Ghajn Tuffieha. Raffles were drawn and members and friends of the association wished each other happy holidays for the summer months. This gave to the organizing committee a merited rest up the month of September 2023 when an end of summer B-B-Q ended the hot summer days with a week-end stay at The Paradise Bay Hotel in Cirkewwa. It was well worth the effort for ALPS to see its members and friends enjoying themselves one more time.

October saw the re-start of Holy Mass at the Pwales chapel. Many turned up for the monthly get together in prayer with always a good sermon delivered by Fr. William Bartolo. Needless to say, our dear friends from the Pwales hamlet, clean and prepare the chapel to receive a congregation. We thank the Bezzina / Vella families for their kind help to our association. Unfortunately, during the month of November, mass had to be cancelled at the eleventh hour due to inclement weather conditions. Nevertheless, we have kept our tradition of remembering our Founder

President Dr. Guido Saliba and all deceased members, friends, Liceo teachers, Pwales hamlet residents who have lost someone of their loved ones during recent years. At Thanksgiving mass in December, all names were mentioned and special prayers offered that they may all rest in peace.

The last function for the year 2023, was the truly awaited Yuletide week-end with special Christmas dinner. This was held at the Radisson Golden Sands. In a well decorated grand ballroom and with an amazing number of participants that have reached nearly 200, the event went exceptionally well. Again, raffles brought happy smiles to all the winners who were seen walking out of the ballroom cherishing their winnings. It is ever so nice to see so many happy and cheerful members who come each year and bring with them family and friends for this occasion.

The council members once again worked and prepared for this year's Valentine week-end in 2024, when another crowd participated and spent a nice friendly week-end with ALPS. They all came along and brought with them many of their family members and friends. The attendance was not too large this time but we still managed to get bookings for 56 rooms at the popularly chosen resort.

The Association of Lyceum Past Students has this year held its Annual General Meeting during March this year. The presentation of financial reports and the renewal of officer's duties was discussed. Audited accounts, prepared and presented by Mr. Alex Micallef from the firm Griffiths & Associates, were distributed and explained in detail during the AGM. Favourable comments were expressed, because this years' positive trend has shown that the losses that were shown in the previous year, have all been surpassed. In fact the association ended its last financial year with a surplus.

ALPS looks ahead for more innovation to introduce newer ideas that can be to the benefit of its members and friends. Do send to us your ideas and recommend any new ways that you might wish for the association to move into a brighter future. You make the association strong with your participation for all events and functions that are specifically prepared and presented to you. The dawn of a new year is a powerful symbol, a chance to reflect on the past and set our sights on the future. We are now in 2024. Let us be brave and carry forward the lessons learnt from the past and channel them into positive action. It is imperative that we approach the coming months with open heart and willingness to accept change. Wishing to you and your families, the best of health and wellbeing. There is always room for change and this can only be achieved if you may give a helping hand to ALPS.

YOUR SUGGESTIONS AND RECOMMENDATIONS

2024 is the special 30th year from the foundation date of The Association of Lyceum Past Students. Much has been covered over the past three decades and still more is in the pipeline. It is important for this old boys association to remain alive and active. The idea of maintaining our presence amongst Lyceum Past Students, is our greatest satisfaction by rekindling in their hearts the nostalgic feelings from younger years. Please help ALPS to continue to make wider strides into the future. With your help and co-operation, we will march into a bright future together. Do participate in all that is prepared and presented to you dear members and friends. If anyone of you readers, wishes to put forward any interesting suggestions or recommendations for consideration at council level, please address your thoughts to ALPS Secretary General either by E-mail: darmanin.mark@gmail.com or by post to: Mr. Mark Darmanin, ALPS Secretary General, 193, 'Maria', Marina Street, Pieta PTA 9041 - Malta.

THE ALPS DATA BASE NEEDS TO BE KEPT UP-TO-DATE

The ALPS data base is brought up to date regularly, when we receive from our members, any change of address or even door numbers that may have been amended, their e-mail address, mobile or telephone numbers. You will be kept fully informed

when circulars and announcements are issued by Council of Administration. Please help us to bring our data base up to date with all the necessary information. You will be helping yourselves by assisting ALPS in this exercise. We depend on you to provide such details for keeping you posted all the time.

Please write to Mr. Mark Darmanin on e-mail: darmanin.mark@gmail.com and copy also to Oscar Galea on e-mail: oscgalea457@gmail.com (who is the data base coordinator for ALPS), so that the ALPS data base can be corrected at earliest. Postage costs have become astronomical and where ever possible, notices and announcements will in future be sent by e-mail only.

In case of difficulty to communicate, send a note to Mr. Mark Darmanin, ALPS Secretary General, 193, 'Maria', Marina Street, Pieta PTA 9041 - Malta. E-mail: darmanin.mark@gmail.com / Mob: 9985 7431.

A THOUGHT FOR THE MONTH

Everyone needs a place where they can go to just ponder for a while.

Silence is important; it's the only time you can hear the whispering of truth.
