

## **A CHRISTMAS AND NEW YEAR MESSAGE TO ALL MEMBERS AND FRIENDS OF THE ASSOCIATION OF LYCEUM PAST STUDENTS**

On the whole, the year 2015 has been a great and successful year for ALPS. We organized a number of activities throughout the past twelve months that all went well and gave us satisfaction with a turnout that makes us happy to have prepared such events. Of course, it could have been even nicer if more of you members and friends of ALPS, joined us for the respective events that were prepared. As President of The Association of Lyceum Past Students, I keep thinking that there are big ships and small ships but the best ship of all is FRIENDSHIP. This is exactly what our association stands for and nobody can take away this nice friendship from us. Friendship does not count in miles....it is measured by the heart.

Dear members and friends, Christmas is but a few days away and we all prepare something special to celebrate the nicest feast of all, with our families and loved ones. May this spirit and joy and warmth of Christmas remain with you all, throughout the coming New Year 2016.

My colleagues on Council of Administration join me and we extend to you and to all your families, sincere best wishes for Christmas Day and a Bright, Prosperous and above all a Healthy New Year 2016.

GEORGE STAGNO NAVARRA  
President ALPS
