

ALPS NEWS: THE ALPS SUMMER BARBEQUE 2015

The ALPS barbeque summer event has seen this year an attendance of 170 persons at The Corinthia San Gorg. The evening started off with a cool breeze from across the bay....and to the tunes played by David Vella who entertained the barbeque guests throughout the evening. Many raffles have been drawn which included as a STAR prize of a Holiday Gift Voucher from a very luxurious resort in Austria namely the GRAND HOTEL LIENZ. A good number of people could be seen leaving with decorative hampers that had been won during the same raffle.

A short speech was delivered by the association president who augured HAPPY HOLIDAYS to all those who were present and encouraged everyone to continue to participate at future functions that are in the ALPS pipeline for the months of September to December 2015.
