### **FORM FIVE FOOTBALL LEAGUE 2015/2016**

On the conclusion of the 2016 Football League, a presentation was held on Thursday 7, April, 2016, at the football ground of the Lyceum Hamrun. Present for award-giving ceremony was Ms. Dorianne Portanier Mifsud, the Headmistress. Representing the ALPS were Peter Tortell together with Joe and Margaret Micallef who organized the event together with the Lyceum Teachers in PE. Margaret Micallef was the ALPS photographer.

Just before the start of the ceremony, it started to rain, and the presentation was moved inside to the corridor. Everything went well in the end.

Mr. Micallef made a short speech explaining the reasons why ALPS encourage students to take part in team sport, especially football, as this not only helps one keep fit but also to create team spirit between the boys.

Mr. Micallef also invited the boys present to visit the headquarters of the Lyceum Scouts, which is in the school itself to see if they are interested in joining the movement. He finally congratulated the winners. The Headmistress presented the Trophies to the Winners, Form 5.02 and to the Runners up, Form 503A. Peter Tortell presented the Shield to the winning team.
